# Purpose

The Wisconsin FBLA-PBL Foundation, Inc. is a not-for-profit, volunteer-based corporation with the purpose of supporting the financial needs of FBLA members in Wisconsin.

The Foundation serves members by providing support for:

- State event winners to participate in national competition
- Leadership development activities for all members
- Scholarships

# Focus

The Wisconsin Future Business Leaders of America (FBLA) is an organization for students enrolled in business classes or those interested in the field of business.

Members focus on three major areas:

- Providing service to school and community
- Developing competent, assertive leadership skills
- Promoting academic excellence

# Leadership

To develop leadership skills, members participate in a variety of leadership development activities and conferences on local, state and national levels. At conferences, students attend leadership workshops and participate in competitive events.

Leadership conference participation can cost each student between \$150 and \$1,000. Many school districts restrict fund-raising projects to support out-of-state activities.

# Goals

Foundation membership is open to anyone who has an interest in business and promoting the nine goals of FBLA-PBL:

- Promote competent, aggressive business leadership
- Strengthen student self-confidence
- Understand American business enterprise
- Improve community citizenship
- Develop character and patriotism
- Promote sound financial management
- Encourage scholarship
- Establish career goals
- Facilitate transition from school to work

# ***H**ow can **YOU** help?*
